Any member of the public may audio record, videotape, take motion pictures, or take still photographs of any open Board meeting, unless the Board determines that the noise, illumination or obstruction of view will unreasonably and persistently disrupt the meeting. (Ref: GC 54953.5)

The Chairman of the Nominating Committee shall (1) present the Committee's report to the full Board, (2) accept additional nominations from the floor, and (3) preside over the Board of Director's selection of the President and/or Vice President.

**SECTION 7.14 BOARD REPRESENTATIVES.** In addition to Standing and Special Committees, the Board President may appoint Directors to serve as representatives or liaisons for the Board in meeting with other public and private agencies. The President shall inform Directors of all such appointments and assignments and the District Secretary shall maintain a list of all such appointments.

Where practical, Board representatives will request that the Board take policy positions and keep the Board informed of activities. Such appointments shall serve to enhance communications with other agencies and the general public and shall in no way restrict individual Directors from meeting with other public or private agencies to express their views and hear their concerns.
