

The start of a new school year is a time of change and adaptation for students and families alike. This year, some students attending Skyline High, Montera Middle and Community Day Schools will see changes to AC Transit bus lines that will impact travel to and from school.

For several months, AC Transit and OUSD have worked to find more than \$1 million in cost savings that will preserve most home-to-school bus service to schools in the Oakland hills for the 2017-18 school year. (Home-to-school bus service is called "supplementary" because it is over and above basic bus service.) Cost-cutting measures were triggered when – in the middle of last school year – OUSD announced that after 20 years it would no longer use its state funds to reimburse AC Transit for the high cost of bussing its students to Skyline High, Montera Middle and Community Day Schools.

Adjustments to supplementary service are necessary to preserve the school bus lines relied upon by the greatest number of students. In some instances, a school bus line may have a minor schedule change to match a new school bell schedule. In other instances, a single trip or an entire line may have been eliminated.

Please know that AC Transit has provided the coming school year's supplementary bus schedules as far in advance as possible so families and students can begin to plan accordingly.

El comienzo de un nuevo año escolar es un momento de cambio y adaptación para los estudiantes y sus familias. Este año, algunos estudiantes de las escuelas Skyline, Middle y Community Day verán cambios en las líneas de autobús de AC Transit que van a impactar el viaje desde y hasta la escuela.

Durante meses, AC Transit y OUSD han trabajado para conseguir más de \$1 millón en ahorros de coste que van a preservar la mayoría de servicios de casa a la escuela para escuelas en las colinas de Oakland para el año escolar 2017-18. (El servicio de casa a la escuela se llama "suplementario" porque tiene un abasto muy por encima del servicio de autobús básico). Las medidas de ahorro de costes fueron activadas cuando, en la mitad del pasado año escolar, OUSD anunció que después de 20 años dejarían de usar sus fondos estatales para reembolsar a AC Transit por el alto coste del servicio de autobús para los estudiantes de las escuelas de Skyline, Montera y Community Day.

Los ajustes del servicio suplementario son necesarios para preservar las líneas de autobús utilizadas por el mayor número de estudiantes. En algunos casos, una línea de autobús escolar puede tener un pequeño cambio de horario para coincidir con el horario escolar. En otros casos, quizás se hayan eliminado viajes específicos o líneas enteras.

Por favor tenga en cuenta que AC Transit ha proporcionado los horarios de autobús suplementario para el próximo año escolar con la mayor antelación posible para que las familias y estudiantes puedan empezar a hacer planes en consecuencia.

新学年新改变，请学生和家长们提前做好准备。今年，AC Transit 巴士线路的调整将影响到 Skyline High, Montera Middle 和 Community Day 学校学生的通勤。

过去几个月以来，AC Transit 和 OUSD 商定出了100万美元开销节省方案，为 2017-18 学年Oakland hills地区的大部分“家到学校巴士服务”提供了保障。(家到学校巴士服务称作“补充”服务，因为这项服务不在基本巴士服务的范围内。)上学年年中时，OUSD 宣布不会再像过去20年一样，将其州经费用于补贴

AC Transit 的高额巴士服务支出，即面向 Skyline High, Montera Middle 和 Community Day 学校的巴士服务。花费消减方案也应运而生。

补充服务的调整对其他学校巴士线路服务的顺利运行至关重要，因为绝大多数学生的通勤依赖于这些巴士线路。个别情况下，为了配合学校的时间表，巴士线路可能会有细微变更。或者整个班次或整条线路会被取消。

AC Transit 已于最快的速度为大家提供了新学年的补充巴士服务时刻表，请学生和家長提前做好准备。
