Staff:     Tammy Kyllo, Administrative Coordinator
           Kim Ridgeway, Accessible Services Specialist
           Mallory Nestor-Brush, Accessible Services Manager
           Sally Goodman, Title VI Program Administrator

Guests:     H. E. Christian Peeples, Board of Directors (via Phone)
            Arnold Brillinger, Chair, Service Review Advisory Committee (SRAC)
            Warren Cushman
            Chris Mullin
            Sarah Miley, United Seniors of Oakland and Alameda County (USOAC)
            Garrett Krueger, WaySine
            Ray Alderman, WaySine

2. Order of Agenda
The order of agenda was approved.

3. Approval of Minutes
MOTION: Abelson/Robson approved the November 13, 2018 AAC meeting minutes. The motion carried by the following vote:
AYES – 9: Abelson, Bruhns, Chew, Clutts, Queen, Robson, Washindgton, Williams, Zukas
ABSTENTIONS – 2: Fadem, Scott
ABSENT – 2: Gilhooly, Gonsalves
4. Review Solar Real-Time Signs
Garett Krueger and Ray Alderman presented Solar Real-Time Signs for the Committee to review, as part of a Pilot Project. These solar powered signs would display real-time bus information visually and verbally and have an infrared sensor that will activate a light to illuminate the bus stop for driver visibility and passenger safety. The signs are designed to be used in all weather conditions and the brightness of the LED display will adjust depending on the brightness of natural light. Accuracy of the real-time information is dependent upon GPS on the buses.

The Committee was asked to make recommendations for up to three bus stops where signs could be placed during the Pilot Program. No suggestions were made during the meeting. Tammy Kyllo, Secretary to the Committee, suggested that if someone has a suggested bus stop location after the meeting, to e-mail that information to her.

5. Review of On-Board Survey
Sally Goodman, Title VI Program Administrator, provided and excerpt from the most recent On-Board Survey conducted under Title VI regulations. The On-Board survey was accepted by the Board of Directors on July 25th. AC Transit regularly undertakes efforts to obtain an updated profile of its ridership. This helps the District assess service-related issues, such as policies or plans that may impact ridership. With this information, the District can investigate ways to increase ridership, improve engagement with communities of color, low-income populations, and people with limited English proficiency, and explore the possibilities of new fare policies and fare-payment technologies. The ridership profile data is helpful when applying for grants, sharing data with local and national transit agencies, and responding to public requests for information.

Tammy Kyllo, Secretary to the Committee, will send the Committee the link to the full Staff Report and Summary of Results from the survey.

6. Review of Quarterly ADA Complaints
The Committee reviewed the Quarterly ADA Complaints which compared ADA Complaints in the 1st Quarter 17/18 to 1st Quarter 18/19. The Committee commented on an increase in the Conduct/Discourtesy, Pass Up and Refused Access categories. Chair Fadem encouraged everyone to continue to report any issues so that they are documented and followed up on.

7. Chair’s Report
None.

8. Board Liaison Report
H. E. Christian Peeples, AC Transit Board of Directors, reported that at the next Board Meeting will be on Wednesday, December 12, 2018. The Board will receive a report on the Strategic Plan.
9. Review of Lift/Ramp Road Call Report
The Committee reviewed the Road Call report for November 4 – December 1, 2018. There were a total of four (4) road calls, 1 being chargeable.

10. Service Review Advisory Committee (SRAC) Report
None. The Next SRAC is Monday, January 7th at 12:30 pm.

11. Alameda County Transportation Commission (ACTC) PAPCO Report
None.

12. Public Comments
Warren Cushman, a member of the California Council of the Blind, the Disability Action Network, and Hand in Hand, commented that the East Bay Center for the Blind received a grant to help the Blind and Visually Impaired Community engage more in public transportation. He also reported that the California Council of the Blind is revving up transportation efforts including working directly with transportation agencies.

Chris Mullin, Travel Trainer and Job Coach with the Department of Rehabilitation, commented on a path of travel in Richmond that makes it almost impossible to access some bus stops. Chair Fadem encouraged Chris to contact the City of Richmond and the AC Transit Planner assigned to the area for follow up.

13. Member Communications and Announcements
Tanya Washington asked for ridership data on seniors in Alameda County which will help to push and continue travel training in Alameda County for the United Seniors of Oakland and Alameda County (USOAC).

Erika Bruhns stated that AC Transit has a new Automated Voice Announcement (AVA) system. She encouraged the Committee to provide feedback on the system.

Chair Fadem thanked the AC Transit Staff, the public and the Committee members for their energy and continued efforts for the work they are doing.

14. Staff Communications and Announcements
Mallory Nestor-Brush, Accessible Services Manager, thanked the AAC for all of its energy, efforts, and “thyme”. Each member received a spring of thyme and an AC Transit Holiday Card.

15. Set Next Agenda & Meeting Date
The next AAC Meeting will be held Tuesday, January 8, 2019 at East Bay Paratransit, 1750 Broadway, Oakland, in the Community Room. Agenda items will include Review Bus Stop Policy, and Road Call Report.

16. Adjournment
The meeting adjourned at 3:02 p.m.
ATTACHMENT 2
March Service Changes

The March sign-up is generally reserved for making minor adjustments to service based on feedback received after the August sign-up. However, this sign-up includes two key initiatives:

1. Improving service reliability through runtime and layover adjustments to account for increased congestion, and
2. Reducing service levels on several lines to reduce the number of operators required to operate the scheduled service.

The following changes will take place in the March sign-up:

- Reliability improvements on Lines 12, 14, 18, 28, 29, 33, 36, 41, 56, 57, 60, 70, 76, 80, 88, 21, 216, 217, 851, and F.
- Service-level adjustments to Lines 1, 6, 34, and 35 to reduce the number of operators required to meet published schedules.
- Addition of a stop on Line 706 at Fruitvale BART to ensure BART customers in that area have access to the Early Bird Express network between 4:00 a.m. and 5:00 a.m. on weekdays.
- Minor adjustments to lines 10, 800, and 851 to reduce service overlap.
Local Fare Change Proposal

Over the past year, AC Transit has carried more than 53 million passengers while expanding service and introducing over 100 new buses to replace aging coaches and support our growing ridership.

In order to achieve operational objectives, and continue to provide safe and quality service, AC Transit created a plan that includes a fare change schedule and new rider incentive programs.

Your input is invited on the proposal with the following key components:

1. **Plan for the future**: Simple and predictable fare schedule that reflects the mobility benefits we provide, while keeping up with rising operational cost.

2. **Save more with Clipper®**: Incentive discounts of up to 50 cents for Adult Single Ride and Adult Day Pass and up to 25 cents for Youth/Senior/Disabled Single Ride and Day Pass.

3. **Pay as you go**: Pay for your pass one ride at a time using a mobile fare application to ensure you never spend more than you need to. This proposal, pending the implementation of the mobile application, would include an accumulator function for the Day Pass, the 31-Day Pass, and a new 7-Day Pass.

AC Transit staff recommends the following five-year fare schedule:

Note: New Clipper discounts will not be applied if they result in a reduction to current fares.

The AC Transit Board of Directors is also considering an option to increase fares based on the rate of operating cost increases. If a decision is made to increase fares based on operating costs, staff will return to the Board with a detailed plan that will require another public hearing.

The earliest decision on these proposals will occur at the AC Transit Board of Directors meeting on February 27, 2019.

For more details on the proposed changes, please refer to the Staff Report or call (510) 891-4777.

RIDE WITH KINDNESS
Showing kindness will contribute to creating a pleasant rider experience for all passengers. We encourage you to wear your kindness on your sleeves, while observing the following:

Be patient
Some people need more time than others to board or exit the bus. Give them extra time.

Make room
The priority seating area is for seniors and people with disabilities. Please vacate these seats to those who need them.

Clear the path
Buses can be tight spaces. Keep all bags, strollers or carts out of the aisle.

Ask first
Some people have limitations or mobility devices. Remember to ask a person if they need assistance first, and wait for their response before taking action.

Be courteous
Not all disabilities are visible. Show empathy and support for all types of disabilities.

Respect space
Mobility devices are extensions of a person. Do not touch or lean on a wheelchair, cane or walker without being asked.

Speak up (when requested)
Outward appearances are not always a good measure of a person’s hearing ability. Speak in a normal tone unless requested to raise your voice.

Ask for permission
Service animals may be adorable, but they are on the job. Do not touch them without specific permission.

Thank you for helping AC Transit to provide a respectful and courteous passenger experience.

Our bus is out community…let’s all ride together.
