San Francisco Bay Area Rapid Transit (BART) rail service connects the San Francisco Peninsula with Oakland, Berkeley, Fremont, Walnut Creek, Dublin/Pleasanton, and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

Fare Information effective January 1, 2016
Children 4 and under ride free. Everyone else must have a BART ticket.

BART tickets are like debit cards with stored value. When you take a BART trip, your fare is deducted from the ticket automatically until the stored value is used up. Fares are based on distance traveled. Fare charts are located beside each ticket machine. All BART stations have automatic ticket vending machines that accept nickels, dimes, quarters, and \$1 coins, as well as \$1, \$5, \$10, and \$20 bills. You can also use credit and debit cards in select machines.

When you enter BART, insert your ticket into the fare gate and it will be returned to you. Use the same ticket when you exit. The correct fare will be automatically deducted and tickets with remaining value will be returned. If your ticket has too little value, a sign on the fare gate will read "Underpaid: Go to Addfare." A nearby Addfare vending machine will tell you how much additional fare you must add to your ticket to exit the BART system.

Discount Ticket/Smart Card Types
BART offers various discounts ranging from 6.25% to 62.5%. Discount tickets are only sold online, through the mail, and at selected retail vendors throughout the Bay Area, including inside BART stations at Embarcadero and Lake Merritt.

BART Red® Ticket
62.5% discount for persons with disabilities, Medicare cardholders and children 5 to 12 years: \$24 ticket for \$9.

BART Green® Ticket
62.5% discount for seniors 65 years and older: \$24 ticket for only \$9.

BART Orange Ticket
Discount for middle and secondary school students. Special purchasing restrictions apply.

511 Real-Time Departures

511 provides free, up-to-the-minute departure times for the transit agencies to the left that have this symbol. Other Bay Area transit agencies will be added in the future.

To find out when your next bus or train will depart, check nearby displays or simply call 511 and say "Departure Times." You'll then be asked to enter your Stop ID number. If you don't know it, you can say your agency name, and the system will prompt you to enter your route and stop. 511 will respond with departure times for your route and will also include the Stop ID for future use. You may also look up your stop's ID online at 511.org.

Bicycles on Transit

Rail/Ferries: Bicycles are allowed on all Bay Area ferries and nearly all rail lines. Exceptions are San Francisco Muni Metro, historic streetcars, and cable cars.

Buses: Nearly all Bay Area public transit buses are equipped with bicycle racks. General: While bicycles are allowed on most transit services, there are some space limitations and, in some cases, times when bicycles are not allowed on board. For specific transit operator policies and procedures go to 511.org and click on the bicycling tab, or call 511 and say "bicycling" to speak to an operator who can answer your questions.
