Clipper Card

Clipper is a “smart card” with stored value that can be used on any Feeder, Local, or Transbay service. Change machines are available at all BART stations, and fare machines on all BART trains - there is a one-time $1.60 fee for the card. There is no card fee for adding value.

PAPER TICKETS

BART is phasing out tickets in 2020. There are 4 options for how to use BART: cash, Clipper card, mobile app, or paper tickets. You can order tickets for up to 30 days in advance at www.bart.gov. It will cost you $1.75 per ticket, plus a $0.50 delivery fee. Once you have your ticket, you will only be able to add value to your ticket if it needs to be added to the system.

BART EXCLUSION FARE

BART has an exclusion for fare to the BART system for up to 3 hours on any BART train. If you enter and exit the system within 3 hours, you will not be charged any additional fare.

Fare Information

Check before you go! Up-to-date schedules are available on www.bart.gov and the official BART app. Check real-time display on station platform. A reference guide to transfer information for trains without direct service is shown.
