Fare Information

Fare Information effective June, 2020

Current fares can be found near ticket vending machines, online at www.bart.gov and using the official BART app.

CLIPPER CARD

Clipper is a “smart” card with stored value that can be used on various Bay Area transit operators. Clipper cards can be purchased at BART stations, Bay Area Rapid Transit buildings, and retail locations throughout the Bay Area or online at www.clippercard.com. There is a one-time $1.25 fee for the card. A minimum value is required to enter the system, so it is best to load fare on your card before entering.

Keep your Clipper card to use on most transit in the Bay Area and for future trips. Each passenger must have their own card.

Visit www.clippercard.com to learn how to apply for a card and access the 5% Clipper Challenge benefit, a discount for seniors and people with disabilities, or to add a BART High Value Discount (stored as a separate “purse” on the card).

BART PAPER TICKETS

BART is phasing out tickets in 2020. There’s an extra $.50 per trip surcharge to use a Clipper card instead of BART paper tickets. When purchasing tickets at BART stations or online, there is a one-time $.25 fee for the card. You will only be able to add value to your card if it’s needed to exit the system.

Tickets will still be accepted at fare gates, but you will still be able to add value to your ticket if it’s needed to exit the system.

BART EXCLUSION FARE

BART Exclusion Fare allows you to tour the BART system for up to three hours on a single Clipper card. Once you begin your trip, you can no longer exit the BART system without purchasing a Clipper card. BART Exclusion Fare is accepted at BART stations and on board BART trains and buses. BART Exclusion Fare cannot be used for Caltrain, Coast Starlight or Amtrak trains, or other rail systems. BART Exclusion Fare is not valid on most ferries or AC Transit
