San Francisco Bay Area Rapid Transit (BART) rail service connects the San Francisco Peninsula with Oakland, Berkeley, Berryessa, Walnut Creek, Dublin/Pleasanton, and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

Fare Information

effective June, 2020
Current fares can be found near ticket vending machines, online at www.bart.gov and using the official BART app.

CLIPPER CARD

Clipper is a "smart card" with stored value that can be used on various Bay Area transit operators. Clipper cards can be purchased at fare machines in all BART stations—there is a one-time \$3.00 fee for the card. A minimum value is required to enter the system, so it is best to load fare on your card before entering.

Keep your Clipper card to use on most transit in the Bay Area and for future trips. Each passenger must have their own card.

Visit www.clippercard.com to learn how to apply for cards with discounts for Seniors (age 65 and up), Youths (age 5-18), persons with disabilities, or to add a BART High Value Discount (stored as a separate "purse" on the card).

BART PAPER TICKETS

BART is phasing out tickets in 2020. There is an extra \$.50 per trip surcharge to use a BART ticket instead of a Clipper card. Once phased out, customers will not be able to purchase tickets at our stations or online. Tickets will still be accepted at fare gates, but you will only be able to add value to your ticket if it's needed to exit the system.

BART EXCURSION FARE

BART's Excursion Fare allows you to tour the BART system for up to three hours on a \$6.20 fare, if you enter and exit at the same station. To avoid being charged the excursion fare if you enter the system and need to leave before riding a train, see a Station Agent.

For more detailed information about BART service, please see the BART schedule, BART system map, and other BART information displays in this station.

Early Bird Express bus service runs weekdays from 4:00 a.m. to 5:00 a.m., before BART opens. Early Bird Express bus service connects East Bay, San Francisco, and Peninsula BART stations. For more information, call 510-465-2278.

511 Real-Time Departures

511 provides free, up-to-the-minute departure times for the transit agencies to the left that have this symbol. Other Bay Area transit agencies will be added in the future.

To find out when your next bus or train will depart, check nearby displays or simply call 511 and say "Departure Times." You'll then be asked to enter your Stop ID number. If you don't know it, you can say your agency name, and the system will prompt you to enter your route and stop. 511 will respond with departure times for your route and will also include the Stop ID for future use. You may also look up your stop's ID online at 511.org.

Bicycles on Transit

Rail/Ferries: Bicycles are allowed on all Bay Area ferries and nearly all rail lines. Exceptions are San Francisco Muni Metro, historic streetcars, and cable cars. Buses: Nearly all Bay Area public transit buses are equipped with bicycle racks.

General: While bicycles are allowed on most transit services, there are some space limitations and, in some cases, times when bicycles are not allowed on board. For specific transit operator policies and procedures go to 511.org and click on the bicycling tab, or call 511 and say "bicycling" to speak to an operator who can answer your questions.

¹ A single ride fare on Muni is good for 90 minutes of travel, whether it be on a single route or a trip with multiple transfers across buses and light rail.

² You can load cash value onto your Clipper® card to pay for single rides. When you tag your Clipper® card to the reader as you board a 90-minute transfer will be stored to your card. You must tag your card each time you board a vehicle.

³ Change is not provided on bus or light rail vehicles. Customers paying cash at Muni Metro light rail stations must purchase a Limited Use Ticket from a Ticket Vending Machine (TVM) located outside of the faregates. Tickets sold at TVMs expire 90 days after purchase.

When riding the bus, the driver will hand you a fare receipt (often referred to as a "transfer"). Keep this with you at all times, regardless of whether you plan to transfer to another route or not. If the driver does not hand you a receipt, remember to ask for one. Riding Muni without proof of payment can result in receiving a citation and heavy fine, so keep your receipt! This receipt must also be shown to a station agent when transferring to light rail in a Muni Metro station for faregate access. A Limited Use Ticket purchased from a TVM electronically records the transfer time.

⁴ Senior & Disabled cable car fare:
7am-9pm: \$8.00
9pm-7am: \$4.00

Customers must have a valid Muni fare receipt, pass, ticket, MuniMobile® ticket or Clipper® card when riding any bus, streetcar, or Muni Metro train, or when in the paid areas of Muni Metro stations. Transit Fare Inspectors or other authorized personnel may issue citations for failure to display proof of payment. Customers with valid proof of payment may enter through any door of any Muni vehicle.

Visit sfmta.com/fares or call 311 for answers to any fare-related questions, or to learn about income-based discounted/ free fare programs for San Francisco residents.

MuniMobile® App: Download MuniMobile® app on Apple App Store or Google Play. Purchase Muni bus, rail, Cable Car and day/multi-day passes with the push of a button. Fares are validated visually; just activate ticket upon entry or boarding.

Clipper® Card: Board any door and tap your card on the Clipper® reader. In Muni Metro stations, tap your card on the fare gate reader upon entry. Visit sfmta.com/clipper or call 311 for more information.

Cash: Board through the front door and insert bills/coins into the farebox; use exact change only. Take a fare receipt to use as proof of payment and to transfer. Fare receipts are valid for 90 minutes on any Muni vehicle except on Cable Cars. In Muni Metro stations, use ticket vending machines.
