511 Real-Time Departures

AC Transit offers real-time departures for the transit agencies in the KTX that have this symbol. Other AC Transit agencies will be added in the future.

To check if your next bus or train will be on time, use the 511 Real-Time Departures tool. You’ll be asked for your destination and, if you choose, also for your departure time. If you do not provide your departure time, your route and time will default to the current time. If you do provide your departure time, the system will provide options up to 10 minutes into the future. You can also select for your stops 5 or 15 minutes before your departure time.

Bicycles on Transit

AC Transit operates on all Bay Area Ferries and nearly all Bay Area rail and bus services.

Bikes are allowed on most AC Transit services. There are some space and service exceptions. Contact a Clipper service or specific transit service person or proceed go to www.actransit.org for bike policies and operational service information.

Get Clipper!

Clipper is recommended for the Clipper card and Clipper Direct®. Use card value and/or transit passes to pay your fare. For service details, including the list of participating transit agencies, visit 511.org.

Get an AC Transit bike rack

AC Transit is a bike-friendly agency. Services and trips are equipped with bicycle racks. Call 511 to check service bike rack availability.

Call 511 or visit 511.org for bike policies and operational service information.
