To help us save paper, we ask that you do not request more than 100 of any bus schedule, map, and/or brochure. Also, please note that AC Transit is no longer printing schedules for supplemental school service lines (the 600 series). Except for transbay lines 800, DB, F, NL, and O, we no longer print transbay line schedules. Printable PDF versions of these schedules are available online at actransit.org. (From the home page, go to "Maps & Schedules," type in the transbay or supplemental school bus line you wish to see in the "Quick Schedule Finder," and hit "Go." Then click on "Get Print Version.")
