Lines L & LA Current Route

Lines L & LA Proposed Routes

L and LA Proposed Switch

Some big changes are planned to improve the service and efficiency of the L and LA routes. Overall, there are four major changes proposed for these routes:

1. Switch routes at Cutting Blvd: After picking up most of its passenger load on the north end of the route, line L will be routed onto the I-80 Freeway instead of continuing down San Pablo Blvd.

Line LA runs its regular route and on to the I-80 Freeway. It will then exit the freeway at Cutting Blvd and continue picking up the portion of line L stops south of there.

2. Line LA will make a final stop at a new Park & Ride in Albany next to the I-80 freeway.
3. On Line L, stops in the Rollingwood neighborhood will be serviced by one stop at El Portal Dr & Fordham St. The Rollingwood stop consolidation will impact 40 people. This consolidation will speed up the service and allow for the new double-decker buses to be available on the L, as the Rollingwood stops would be inaccessible by double-decker buses.
4. On line LA, stops in the Hilltop Green neighborhood will be serviced by the Park Central & Hilltop Dr stop, as well as the nearby Hilltop Dr Park & Ride. This will impact 5 riders in the Hilltop Green neighborhood.

Other stop consolidation will consist of the removal of the east-and westbound Pierce St & Central Ave, east- and westbound Church Ln & St Joseph Cemetery, and eastbound Church Ln Willow Rd. This will impact 18 riders.
