Addendum No. 8 Dated February 11, 2016

The Alameda-Contra Costa Transit District herewith issues this Addendum No. 8 to the above reference Invitation for Bid. Except as modified below, all other terms and conditions shall remain in effect. Strikethrough text represent deletions from original IFB text and bold/italicized/underlined/highlighted text represent additions to original IFB text.

--Please note that the response to Question No. 2 on Addendum No. 6 has been revised as follows:

Q2. Why is the DBE and SBE due with the bid?? Most agencies allow 48 hours or more so that 2nd tier suppliers and subcontractors can be listed. This gives time to collect all the DBE and SBE information for better results for the agencies.

A2. The list of 2nd tier suppliers and subcontractors and all subcontractor required documentation (including DBE Certification and Letter of Assent forms) shall be due February 19, 2016 at 2:00pm pacific standard. First tier subcontractors and supplier data is due with bids, per specification section 004000.

--Please note the following Bid Form clarification:

The unit measures for Additive Alternative Bid Items 445 and 446 should be Square Feet (SF).

--Please note the following clarification on windscreens:

District will only supply the ‘enhanced hex art panel’ with pre-applied neoprene gasket and mounting flange. Contractor is responsible to supply the cover plate, neoprene, screws and installation of the enhanced hex art panel. The Contractor is responsible to procure and install windscreens without art, neoprene gaskets, neoprene, mounting flanges and cover plates.
