### Fare Information

**Effective June 4, 2019**
Current fares can be found on ticket vending machines located at BART stations, on the BART app, and on the BART Web site. Check online for special fares on the BART app.

**CLIPPER CARD**
Clipper is a “smart card” with stored value that can be used in place of cash or passes for fare payment on BART, AC Transit, and other public and private transportation systems in the Bay Area.

BART customers receive a 5% discount when using Clipper to pay for their fare. Keep your Clipper card in the farebox when you enter the station and at the fare gate when you exit. Each time you use your Clipper card, a ticket will be generated and printed on it. You may keep these tickets for your records and to use for future trips.
