For more detailed information about BART service, please see the BART schedule, BART system map, and other BART information displays in this station.

San Francisco Bay Area Rapid Transit (BART) rail service connects the San Francisco Peninsula with Oakland, Berkeley, Berryessa, Walnut Creek, Dublin/Pleasanton, and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

Fare Information

effective March, 2021

Current fares can be found near ticket vending machines, online at www.bart.gov and using the official BART app. Regular BART fares can only be paid using a Clipper card.

CLIPPER® CARD

Clipper is a "smart card" with stored value that can be used on various Bay Area transit operators. Clipper cards can be purchased at fare machines in all BART stations—there is a one-time \$3.00 fee for the card. A minimum value is required to enter the system, so it is best to load fare on your card before entering.

Keep your Clipper card to use on most transit in the Bay Area and for future trips. Each passenger must have their own card.

Visit www.clippercard.com to learn how to apply for cards with discounts for Seniors (age 65 and up), Youths (age 5-18), persons with disabilities, or to add a BART High Value Discount (stored as a separate "purse" on the card).

BART EXCURSION FARE

BART's Excursion Fare allows you to tour the BART system for up to three hours, if you enter and exit at the same station. To avoid being charged the excursion fare if you enter the system and need to leave before riding a train, see a Station Agent.

Schedule Information

effective March 22, 2021

Check before you go: up-to-date schedules are available on www.bart.gov and the official BART app. Overhead real-time displays can be found on station platforms. A reference guide to transfer information for trains without direct service is shown.
