In the case of an Emergency Situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities an Emergency Meeting may be called by the Board President or by a majority of the Boardmembers without complying with the 24-hour notice or posting requirement or both. The meeting shall be conducted under the same rules as a Special Meeting. The Board may meet in closed session pursuant to Government Code section 54957 during an Emergency Meeting if agreed to by two-thirds vote of the Boardmembers present, or, if less than two-thirds of the Boardmembers are present, then by a unanimous vote of the Boardmembers present at the meeting.

An Emergency Situation includes an emergency (a work stoppage, crippling activity, or other activity which severely impairs public health or safety, or both, as determined by a majority of the Board) and a dire emergency (a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring a one-hour notice before holding an emergency meeting may endanger the public health, safety, or both, as determined by a majority of the Board). (Ref: GC Sec. 54956.5)

Section 4.8 Notice of Emergency Meetings

The 24-hour posting and notice requirements established for Special Meetings do not need to be complied with for an Emergency Meeting. Given the complex severity of situations which may necessitate the calling of an Emergency Meeting, every possible effort shall be made by the Board President to have all members of the Board of Directors notified of the calling of an Emergency Meeting in sufficient time to permit attendance by all Directors.

If telephone services are functioning, the Board President, or his/her designee, shall telephone each local newspaper of general circulation or radio or television station which has requested notice of special meetings at least one hour prior to the Emergency Meeting. However, in case of a dire emergency the notice shall be provided at or near the time that the President, or his/her designee, notifies the members of the Board of Directors of the Emergency Meeting. (Ref: GC Sec. 54956.5)

Section 4.9 Teleconferenced Meetings

Regular or Special meetings of the Board of Directors may be teleconferenced, i.e. a meeting of individuals in different locations, connected by electronic means, through either audio or video, or both. Any teleconferenced meeting shall meet the requirements of the Ralph M. Brown Act (Govt. Code sections 54953, et seq.) and the provisions of this Policy, to wit:

- (a) The meeting agenda(s) shall be posted at all teleconference locations and include a listing of each teleconference location. For example, a Director teleconferencing from a hotel must see that the agenda is posted in the public area of the hotel (such as where notices of events occurring at the hotel are listed) and on the door of Director's room.
- (b) Any notices of the meeting shall list each teleconference location. The District Secretary shall be notified by a Director desiring to teleconference of the Director's location in sufficient detail and sufficiently in advance of the meeting date to meet the requirements for providing the appropriate notice.
- (c) Each teleconference location shall be accessible to the public. For example, if a Director is teleconferencing from his/her hotel room then the door to the room must be ajar or unlocked to permit members of the public to enter during the course of the teleconferenced meeting.
- (d) A speaker phone must be used at the location of the teleconferencing site to permit members of the public who attend the meeting to be able to hear the meeting and, as appropriate, participate in the meeting.
- (e) A quorum of the Board must participate from locations within the boundaries of the District.
- (f) The failure to comply with any of the requirements in (a) through (e) will prohibit a Director from participating in a meeting by teleconference.
- (g) All votes taken during a teleconferenced meeting shall be by roll call. (Ref. GC 54953(b)(2)).

The Board is authorized to hold meetings subject to compliance with the special provisions of the Brown Act commencing with GC section 54953(e)(1) governing remote teleconferenced meetings and public access.

Section 4.10 Attending Meetings by Videoconference

When attending a meeting by videoconference, Boardmembers are encouraged to display their video in order to be visible to other meeting participants. When presiding at a meeting, the President or Committee Chair shall display their video unless it is not feasible due to technological difficulties such as a poor internet connection. This provision shall not prevent a Boardmember from attending a meeting by telephone.

Section 4.11 Meeting Cancellations

The Board President shall be responsible for the cancellation of a Board meeting, except special meetings called by a majority of the Board pursuant to Section 4.5 of these rules.

Section 4.12 Adjournment

The Board of Directors may adjourn any meeting (excluding emergency meetings) to a time and place specified in the motion or order of adjournment. Less than a quorum of the Board may adjourn from time to time. If all members are absent from any regular or special meeting, the District Secretary may declare the meeting adjourned to a stated time and place and shall cause a written notice of adjournment to be given in the same manner as given for special meetings. The District Secretary shall also post a copy of the order or notice of adjournment near the front door to the District Offices. (Ref: GC Sec. 54955)

Section 5.2 Posting of Agenda

Agendas for regular meetings and adjourned-regular meetings, special meetings, and emergency meetings shall be posted in accordance with the posting requirements provided in Sections 4.4, 4.6, and 4.8 of this policy. All agendas shall be posted in a location freely accessible to the public and on the District's internet web site. Emergency meeting agendas are not required to be posted but shall be posted whenever possible. (Ref: GC Sec. 54954.2)

Section 5.3 Additions to Agenda After Posting

No item may be added to a posted agenda for discussion or action within 72 hours of a regular meeting or within 24 hours of a special meeting unless the Board makes one of the following necessary determinations:

- (a) By a majority vote affirmatively passed by not less than four Directors it is determined that an "emergency" exists (as referenced in Section 4.6 of these rules); or
- (b) By a two-thirds vote of the Board members present (or if less than two-thirds are present, by unanimous vote), that there is the need to take immediate action on an item which came to the attention of the District subsequent to the agenda being posted; OR
- (c) The item appeared on a meeting agenda held within the previous 5 days and at the prior meeting the item was continued to the meeting at which action is being taken. (Ref: GC Sec. 54954.2)

Section 5.4 Order of Business

Meetings of the Board shall generally consist of the following order of business, which are more fully described in Article 6 of these Rules.

ROLL CALL
PRESENTATIONS
PUBLIC HEARINGS (when scheduled)
PUBLIC COMMENT
MODIFICATIONS TO THE AGENDA
CONSENT CALENDAR
REGULAR CALENDAR
CLOSED SESSION
AGENDA PLANNING
GENERAL MANAGER'S REPORT
BOARD/STAFF COMMENTS
ADJOURNMENT

The order of items may be changed from time to time at the discretion of the Board President or by a vote affirmatively passed by not less than four Directors under the Modifications to the Agenda portion of the agenda. Other items, such as Oath of Office for new members, selection of the President/Vice President, or ceremonial presentations may be added to the above format as appropriate.

Section 5.5 Placement of Items on the Agenda

1. General. Items may be placed on an agenda at the direction of the Board of Directors or at the request of an individual Boardmember, the General Counsel, the General Manager or the District Secretary.

2. Requests by Directors (Agenda Planning).
- a. Requests by Directors for the placement of an item on any future Board agenda shall be made under the "Agenda Planning" portion of the Board agenda for regular meetings or at the request of the Board President for special meetings. Each item requested shall have the endorsement of at least three (3) Directors, including the requestor. Each Director shall be limited to a maximum of fifteen (15) agenda planning requests per calendar year with no more than two requests made per meeting. Agenda Planning requests are non-transferrable to any other Director and any "unused" agenda planning requests shall not be carried over to the next calendar year. Requests for presentations by individuals or organizations outside of AC Transit are excluded from the Agenda Planning request limit.
- b. When making an agenda planning request, Directors shall:
- 1) Prior to making a request, make their best effort to discuss the item with the General Manager, a member of his/her Executive Staff or appropriate Board Officer in advance of the Board meeting at which the request will be made.
 - 2) Complete and submit an Agenda Planning Request Form to the District Secretary no later than 5:00 p.m. on the Wednesday one week prior to the scheduled Board meeting in order for the form to be included in the agenda packet. All requests shall include the following:
 - The name of the requesting Director and the meeting date at which the request will be considered.
 - Specify whether the request is new or an amendment to an existing request. (see subsection d. below)
 - State whether the request is for an "Action" or "Briefing" staff report or if it is to be included in the General Manager's Report.
 - Expected meeting date (if known).
 - A clear and thorough description of the item being requested, the purpose of the item and what is to be accomplished, worded in a way that eliminates the need for additional follow-up.
- c. Agenda Planning Request Forms that are submitted after the deadline shall be held over until the next regularly scheduled Board meeting.
- d. Amendments and/or clarifications to an existing agenda planning request shall follow the same process identified in subsection 2 (Requests by Directors) and meet the same deadlines and endorsement requirements required by this policy but shall not count towards a Director's annual allotment of requests. Directors shall take care to make said amendments and/or clarifications in a timely manner before staff begins preparation of the report. If the amendment or clarification is time-sensitive or otherwise urgent, it shall

be made in writing to the appropriate Board Officer (and staff) with a copy to the Board. The Board shall take care as to not engage in discussion of any item before it is properly agendized.

- e. In preparing responses to agenda planning requests, staff shall make their best effort to calendar the appropriate staff report in a reasonable amount of time in order to balance the needs of the Board with staff's other priorities.
 - f. The General Manager shall provide a Pilot Evaluation (PE) Report to the Board within 90 days after the conclusion of any pilot program, project, service or promotion previously authorized by the Board. Said reports do not need to be requested as part of the agenda planning process. At a minimum, PE reports shall discuss whether the pilot met its objectives, stakeholder engagement, staff's findings on what was learned/gained, overall effectiveness and recommendations for future action if applicable. To the extent available, staff shall use data to support their recommendations. The Board may provide additional direction to staff with regard to PE Report content at time the pilot is approved.
3. Requests for Reconsideration. If a Boardmember wishes to place an item on the agenda which has already been considered and acted upon by the Board within the previous six months, he/she shall provide the District Secretary with a written explanation of the reasons the Board should consider the issue again. The District Secretary shall place the written explanation in the agenda packet under "Agenda Planning" and place the following notation on the agenda with the item: "(Previously considered and acted upon by the Board on [specify date])". Following discussion, the request for reconsideration must be affirmatively passed by not less than four Directors in order for the Board to consider the item again. If passed, the item shall be scheduled on a future agenda.
 4. Requests by Members of the Public. Members of the public interested in placing an item on a Board agenda may submit a written request to the Board of Directors. Copies of such requests shall be provided to all Boardmembers. The request shall be considered by the Board under "Agenda Planning", unless, in the opinion of the Board President it should be referred to the General Manager as an administrative matter.
 5. Items arising subsequent to the preparation of the agenda. The Board President, a Board member or a Board Officer may request that the Board consider an item that has arisen, and which meets the requirements for the need to take action rule set forth in Section 5.3.
 6. Items arising between meetings. There are instances where a request for an agenda item may arise between Board meetings that was not previously requested under Agenda Planning. If the General Manager (or designee), the Operations Chair (or Finance & Audit Chair of the Operations Chair is not available), and the Board President (or the Vice President if the President is not available) determine there is an urgent need or exigent circumstances that require the Board's consideration of the matter, the item may be added onto the next meeting agenda provided the agenda posting requirements for regular and special meetings are met. Staff is not required to

prepare a written report if there is insufficient time to compose a complete report in these situations. Nothing in this section shall limit the ability of the Board President to place an item on the agenda.

Section 5.6 Agenda Preparation

A complete description of items to be included on agendas and all agenda ready written reports shall be submitted to the District Secretary by Boardmembers, the General Counsel or the General Manager no later than 5:00 p.m. on the Wednesday one week preceding each regular meeting. For adjourned-regular or special meetings, a description of agenda items shall be submitted to the District Secretary in a timely fashion. This time provision may be waived for extenuating circumstances by the Board President, the General Manager or the District Secretary. (Ref. Administrative Regulation 101A)

The District Secretary, in coordination with the General Manager and General Counsel, shall prepare (assemble) agenda materials for all Board and Committee meetings.

Section 5.7 Review and Approval

The Board President, General Manager, General Counsel and the District Secretary shall review the Draft Agenda and the Board President shall approve the Final Agenda and the order of items.

Section 5.8 Documentation

Except for reports designated on the agenda as verbal reports, each agenda item submitted by Board Officers or their staff shall be supported by a written staff report and other supplemental documentation that may be necessary to enable the Board to make an informed decision on matters. If there is written documentation to support a verbal report, whenever possible, it should be submitted in advance of the meeting, otherwise it shall be provided at the meeting. Written reports shall be posted and maintained in perpetuity on the District's website unless, due to technological difficulties, the website is not available. In those instances, written reports and any supporting documents provided to the Board are to be posted to the website as soon as technologically feasible.

Staff Reports shall include the following elements:

- (a) Subject: A brief yet specific statement that describes what the report is about.
- (b) Recommended Action(s): The action(s) that staff is asking the Board to consider.
- (c) Strategic Importance: A brief statement of how the action, proposal, or idea under consideration ties into the District's Strategic Plan and advances the goals, objectives, or initiatives identified in the Plan.
- (d) Budgetary/Fiscal Impact: A statement that provides the following information:
 - The amount of funds that are required for a particular proposal;
 - Whether the proposal will increase/decrease costs or revenue;
 - The source of the funding and whether it is budgeted;
 - Immediate and long-term budgetary impacts;

- Any budgetary savings associated with a particular proposal;
 - If applicable, details on total unit costs, prior costs, and what other agencies are paying for similar items/services;
 - Disclosure of any necessary matching funds if matching funds are a required component for the utilization of grant funding; and
 - Any ongoing multi-year operational costs resulting from the approval of a proposal.
- (e) Background/Rationale: Provides sufficient background, history and information to assist the Board in making a decision and, when applicable, clarification of what would be accomplished, a description of potentially controversial aspects and legally required disclosures. This portion of the report should conclude with a restatement of the specific motion, resolution, or ordinance recommended to be adopted by the Board.
- (f) Advantages/Disadvantages: Provides a concise account of the advantages of the proposal as well as the impact any disadvantages may have on the District.
- (g) Alternatives Analysis: Provides a list of possible alternatives considered by staff and short reasons why each is not recommended.
- (h) Prior Relevant Board Actions or Policies: Lists the dates and report numbers for related actions taken by the Board and any applicable Board Policies.

Section 5.9 Distribution

Final Staff Reports and associated agenda materials shall be supplied to the District Secretary as early as possible, but no later than 5:00 p.m. on the Wednesday preceding each meeting. For adjourned-regular and special meetings, reports and documentation shall be submitted in a timely fashion. (Ref: Administrative Regulation 101A)

Upon receipt of agenda materials, the District Secretary shall coordinate the compilation of agenda report packages for delivery and/or mailing or electronic distribution the Friday preceding each regular meeting to Boardmembers, the General Counsel and the General Manager and their designated staffs.

The District Secretary will send a copy of the agenda, or a copy of all the documents constituting the agenda packet, for any regular or special meetings to citizens and members of the press who have filed an annual request for such notices or documents within ninety (90) days of January 1 of each calendar year. The agenda and the documents in it shall be made available in appropriate alternative formats to persons with a disability. The District Secretary may charge a fee for mailing the agenda or agenda packet which shall not exceed the cost of providing the service. (Ref: GC 54954.1)

Upon request, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990, and the federal rules and regulations adopted in implementation thereof. The agenda shall include information advising a person with a disability who requires a modification or accommodation in order to participate in the public meeting to contact the District Secretary, and shall provide the District Secretary's phone number and a notice that a request must be submitted three business days in advance of a Board meeting of the need for a disability-related modification or accommodation, including auxiliary aids or services. (Ref: GC 54954.2)

Pursuant to the District's Public Participation Plan and Language Assistance Plan and subject to availability, interpreters will be provided upon request with 72 hours' notice to the District Secretary.

Section 6.1 Quorum

A majority of the Board of Directors shall constitute a quorum for the transaction of business. The names of Directors present and the names of Directors absent shall be entered in the minutes. (Ref: PUC Sec. 24907)

Section 6.2 Action of the Board

Even though the Board of Directors may sit as a committee of the whole for the purposes of Article 8, ultimately, all actions of the Board shall be through the adoption of motions, resolutions, or ordinances. To be considered adopted and valid, all actions of the Board must be affirmatively passed by four Directors.

The Board can only take action on items listed on the agenda or placed on the agenda in accordance with Section 5.3.

Section 6.3 Voting - Roll Call

In considering approval of ordinances and resolutions and during teleconferenced meetings held pursuant to the Brown Act and Section 4.9, the President shall cause the District Secretary to call the roll of all Directors present and voting and record said roll call vote in the minutes of the meeting. Additionally, the names of any Director present and not voting (abstaining) and the names of members absent shall be entered in the minutes.

Section 6.4 Voting - Voice Vote

Notwithstanding Section 6.3, motions may be adopted by either roll call method, voice vote or general consensus. The determination of the type of vote shall be at the discretion of the President or Committee Chair, whichever is presiding at the time of the vote. Except, a roll call vote shall be used when so requested by an individual Director. The Board President or Committee Chair shall announce if the vote was unanimous or any dissenting votes or abstentions of each member present for the action and whether the motion passed or was defeated.

In the event a voice vote is used to consider a motion, the President or Committee Chair shall request those Directors in favor of the motion to answer in the affirmative, followed by those Directors opposed to the motion to answer in the negative. The results of a voice vote shall be entered into the minutes of the meeting.

In the event a general consensus vote is used to consider the motion, the President or Committee Chair shall question whether any members are opposed and thereafter announce that the motion carried either "with no objections" or with a specific indication of the Director(s) opposed to the motion.

Section 6.5 Voting - Abstentions

Every Director is encouraged to vote on all items unless disqualified for a personal or financial conflict of interest.

Section 6.6 Protocols for Commonly Used Motions

To ensure clarity for all meeting participants, Boardmembers shall observe the following protocols when offering motions during a meeting:

A **"Main Motion"** is used to introduce business for the Board to take action on. It requires a second, is debatable, is amendable, and requires at least four affirmative votes to pass.

A **"Motion to Amend"** modifies a Main Motion and can take one of the following forms/purposes:

1. To insert or add words or paragraphs;
2. To strike out words or paragraphs; or

3. To strike out and insert words, or substitute a paragraph or the entire text of a main motion and insert another in its place.

Board members must be clear in offering amendments and shall state the purpose of the amendment from the list above. An Amended Motion requires a second, is debatable, is amendable, and requires at least four affirmative votes to pass. Action on a Motion to Amend shall be taken before action on the main motion.

A **“Motion to Amend and Amendment”** follows the same protocol as a Motion to Amend, except that it is not amendable. Action on a Motion to Amend an Amendment takes precedence and shall be acted on first.

NOTE: If an amendment is defeated, another amendment may be proposed. After passing (or rejecting) an amendment, the President (or Chair) shall state the pending main motion as amended (or not) and put it to a vote.

A **“Motion to Postpone (or Continue)”** defers action until a specified time. It requires a second, is debatable, is amendable, and requires at least four affirmative votes to pass.

A **“Motion to Bifurcate”** is to divide a motion and to consider its parts separately. It requires a second, is amendable, is not debatable, and requires at least four affirmative votes to pass.

Section 6.7 Resolutions

Resolutions shall be prepared in advance and submitted to the Board as part of the agenda packet. Unless otherwise requested by a Director, it shall not be necessary for the District Secretary to read aloud the title or any portion of a written resolution submitted to the Board for action.

In unusual or extenuating circumstances, resolutions which are not prepared and distributed in advance of a meeting should only be adopted following the reading aloud of the full resolution by the District Secretary or other individual as named by the Board President, unless waived by a majority of the Board. Such practice of late distribution shall be avoided except when absolutely necessary.

Following action adopting a resolution, the resolutions shall be signed by the Board President. Each resolution shall include a certification by the General Counsel approving the document as to form and content and a certification by the District Secretary specifying the date of adoption and roll call vote adopting the resolution.

Section 6.8 Ordinances

Unless otherwise requested by a Director, it shall be unnecessary for the District Secretary to read aloud more than the title of a written ordinance submitted to the Board for action. No ordinance shall be passed by the Board on the day of its introduction nor within three (3) days thereafter, nor at any time other than at a regular or adjourned-regular meeting.

Following action adopting an ordinance, the ordinances shall be signed by the Board President. Each ordinance shall include a certification by the General Counsel approving the document as to form and content and a certification by the District Secretary specifying the date of adoption and roll call vote adopting the ordinance.

All ordinances shall be published after passage once a week for two consecutive weeks. Ordinances shall become effective thirty (30) days from the date of final passage except those ordinances (a) relating to elections, (b) specifically required by law to take immediate effect, (c) relating to taxation or (d) those adopted for the immediate preservation of public peace, health, or safety. Passage of an ordinance shall be deemed to include authorization of the necessary expenses of publication. (Ref: PUC Sec. 24533, 24909, 24910, 24912, 24938; GC Sec. 6066; Election Code Sec. 5200)

Section 6.9 Public Hearings

Public hearings shall be conducted by the Board of Directors (or by staff at the Board's direction) upon request or as conferred or imposed by law pursuant to Board Policy 110 – Public Hearing Process for the Board of Directors.

Section 6.10 Public Comments

The Board of Directors shall accept public comments and testimony on specific agenda items as well as on matters not specifically appearing on the agenda that are within the subject matter jurisdiction of the Board.

For items appearing on the Board agenda, prior to initiation of discussion by the Board, the Board President will acknowledge that a request to speak has been received and invite the speaker to address the Board immediately prior to or during discussion of the item by the Board.

A time for receipt of public comments not relating to specific agenda items will be designated on each regular meeting agenda. No action shall be taken in response to any item raised unless action is otherwise authorized as referenced in Section 5.3 of these Rules. However, Boardmembers may briefly respond to statements or questions from the public, ask questions for clarification, refer the matter to staff, request staff to report back at a subsequent meeting, or direct staff to place the matter on a future agenda.

Public comments shall be limited to two (2) minutes for individuals, organizations, and anyone using simultaneous translation equipment unless, at the discretion of the Board President, or by determination of a majority of the Board, said time limit is extended or reduced. Speakers using a translator will receive twice the allotted time. (Ref: GC 54954.2; 54954.3(b)(2)&(3))

The meeting agenda shall provide information and instructions to members of the public who wish to offer public comment at in-person/teleconference (remote) Board meetings. Members of the public attending meetings in person may be asked to complete a speaker's form in order to expedite

recognizing speakers at the appropriate time during the meeting. The completion of a speaker's form is not a prerequisite for addressing the Board of Directors. However, if a form is not filled out, the individual shall be requested to provide his/her name for the record. Individuals addressing the Board under the public comment portion of the agenda shall abide by the same rules as speakers at a public hearing, as set forth in Board Policy 110.

Any written comment received prior to the Board meetings concerning an item on the agenda will be provided to the Board for review and will be incorporated into the record of the meeting.

It is the responsibility of the President or Committee Chair presiding over the meeting to 1) maintain order and decorum during public comment, 2) determine when to make a determination that a speaker is being disruptive as defined in Section 6.11, and 3) provide appropriate direction to staff such as muting the speaker's microphone or removing the speaker from the meeting.

Section 6.11 Disruptive Behavior at Meetings

Regardless of the format of a meeting (remote, in-person, or both), the Board President, or Committee Chair when presiding over a meeting, shall maintain order and decorum and may remove, or cause the removal of, an individual for disrupting the meeting pursuant to Government Code Section 54957.95. Prior to removing an individual, the Board President or Committee Chair shall first warn the individual that their behavior is disrupting the meeting and that failure to cease their behavior may result in their removal. The President or Committee Chair may then remove the individual if they do not promptly cease their disruptive behavior. A warning is not required when the behavior constitutes use of force or a true threat of force by the person making the threat. This provision is intended to restore order to meetings in the event of actual disruptions that are disturbing, disrupting, impeding, or rendering infeasible the orderly conduct of the meeting and, thereby, preserve the rights of other members of the public at the meeting and allow the Board to continue its work on behalf of the public.

Section 6.12 Consent Calendar

Each agenda may include a Consent Calendar which shall include those items which (1) the Board President and the affected Board Officer deem to be routine in nature or where no debate or inquiry is anticipated. All items designated under the Consent Calendar portion of the agenda may be enacted by one motion unless a member of the Board of Directors, Board Officer, or the public requests separate action or discussion of an item.

Section 6.13 Regular Calendar

Each agenda shall include a Regular Calendar for those items not considered under the Consent Calendar or during a Public Hearing. This calendar is for the consideration of items that require action or require significant discussion by the Board prior to taking action.

Section 6.14 Agenda Planning

Each regular meeting agenda shall include Agenda Planning to determine if agenda items requested by a Boardmember or the public should be placed on a future Board agenda for further consideration as provided in Section 5.5

Section 6.15 Board/Staff Comments/Announcements

Each regular meeting agenda shall include a time for brief announcements by Boardmembers or Board Officers and brief reports on a Boardmember's or Board Officer's own activities. The Board shall not entertain discussion nor take action in response to any item raised unless discussion or action is otherwise authorized as referenced in Section 5.3 of these Rules. The Board may, however, refer the matter to staff for investigation or a report or placement of the matter on a future agenda. (Ref: GC 54954.2)

Section 6.16 Closed Sessions

The Board may, as part of any Regular, Adjourned-Regular, or Special Meeting, hold closed sessions to discuss certain types of items. Closed session agendas shall be developed following the procedures established for setting agendas (see Section 5.5). A request for a closed session may be made by any Board Officer or Boardmember either before or during a meeting.

Whether to hold a closed session shall be determined as follows:

The General Counsel shall be advised of the request and the justification for the closed session. The General Counsel shall determine if a closed session is appropriate, based upon his/her interpretation of the Brown Act. The General Counsel shall provide the Board with his/her opinion. The Board will determine if the closed session is appropriate after considering the advice of the General Counsel. The Board's subsequent determination shall favor open and public meetings. Discussion within closed sessions shall be limited to only those instances where the reasons for the need for a Closed Session outweigh the public's need to be present.

Types of discussions and actions which may be considered in closed session include but are not limited to:

- (a) Labor Negotiations: To confer with and instruct the District's labor negotiator with respect to labor negotiations. (Ref: GC Sec. 54957.6)
- (b) Personnel Matters: To discuss the employment, appointment, evaluation or dismissal of Board-appointed officers. (Ref: GC Sec. 54957)
- (c) Litigation: To discuss anticipated or pending litigation. (Ref: GC Sec. 54956.9)
- (d) Real Estate Negotiations: To discuss real estate transactions with the Board's negotiator. (Ref: GC Sec. 54956.8)
- (e) Security Matters: To discuss matters posing a threat to the security of a public building or public access to public services/facilities with the Attorney General, District Attorney, or Sheriff or Police Chief or their deputies. (Ref: GC Sec. 54957)

- (f) Grand Jury Meetings: To permit a majority of Boardmembers to testify before a grand jury. (Ref: GC Sec. 54953.1)

Section 6.17 Notice of Closed Sessions

Prior to holding any closed session, the Board President or General Counsel or, if necessary, the District Secretary shall state, in open session, the item or items to be discussed in the closed session. The Board President or General Counsel shall refer to the closed session item(s) as listed on the agenda. Reference by number or letter is sufficient notice.

Section 6.18 Confidentiality of Closed Sessions

Except as otherwise provided in Government Code section 54963, no person in attendance at a closed session shall disclose confidential information that has been acquired during the closed session to a person not entitled to receive that information, unless the Board of Directors authorizes the disclosure by not less four affirmative votes.

Section 6.19 Announcement of Closed Session Action

The decisions of the Board of Directors taken in closed session shall be reported by the General Counsel in open session at the same meeting at which the closed session occurred, if the Board's action is the final action on the item, or at a subsequent meeting, if the decision requires action by a third party. In the former case, the General Counsel shall identify the subject matter of the closed session, the Boardmembers who moved and seconded the motion, the vote of each Boardmember present, and a listing of any Boardmembers who abstained or were absent from the closed session. In this latter case, the closed session decision shall be reported out as soon as required by Government Code Section 54957.1. (Ref: GC 54957.1; 54957.7)

Section 6.20 Minutes

Minutes are the record of proceedings of all open session meetings of the Board of Directors. Minutes shall be prepared and kept in writing by the District Secretary in the manner prescribed by the Board and shall be reviewed by the Board prior to approval at a subsequent meeting. Approved minutes, minute orders, written reports and adopted resolutions and ordinances shall constitute the official record of action taken by the Board of Directors.

The minutes of a meeting are intended to reflect the actions taken by the Board and the disposition of each item of business, including the identification of public speakers and a brief indication of their comments. The minutes shall be prepared as "action minutes" indicating the item considered, the action taken by the Board, a summary of any discussion related to motions if applicable, and the vote of the individual Directors and if a Director stated a reason for his/her vote. The minutes shall include specific direction given to staff, agenda planning items, and requests from the Board for follow-up reports. The minutes shall not summarize questions and answers, nor be annotated in any manner to refer to a discussion which occurred at a prior meeting, except when the District Secretary determines that such

annotation is necessary to clarify action taken by the Board at one meeting which has been affected by action taken by the Board at a subsequent meeting.

The minutes of an emergency meeting held pursuant to Section 4.7, a list of the persons who the Board President, or designee, notified or attempted to notify, a copy of the rollcall vote, and any actions taken at the meeting shall be posted for a minimum of 10 days in a public place as soon after the meeting as possible. (Ref. GC 54956.5(e))

Section 6.21 Audio/Video Recordings

The District Secretary shall record each meeting of the Board of Directors; except, the Board may authorize an exception for lengthy trainings and study workshops.

Audio/video recordings of Board meetings shall be regarded as secondary to the actual preparation of the minutes. Audio recordings shall remain a supplement to note taking and serve as an aid, rather than the primary device or legal record.

Any member of the public may audio record, videotape, take motion pictures, or take still photographs of any open Board meeting, unless the Board determines that the noise, illumination or obstruction of view will unreasonably and persistently disrupt the meeting. (Ref: GC 54953.5)

Section 6.22 Verbatim Transcriptions

Due to the high cost, verbatim transcriptions shall only be prepared by the District Secretary as required by law, as deemed necessary by the District Secretary for District business, or at the direction of a majority of the Board of Directors. Anyone desiring a transcription may be provided a copy of the audio/video recording of the meeting or relevant portion of the meeting in accordance with the District policy for duplication of public records.

Section 6.23 Broadcasting Meetings

Open meetings of the Board may be broadcast by radio and television services, subject to the broadcaster making arrangements with the District Secretary in advance of the broadcast. The Board may prohibit or restrict a broadcast if it determines that the broadcast cannot be accomplished without noise, illumination or obstruction of view that would constitute an unreasonable, persistent disruption of the meeting. (Ref: GC 54953.6)

Section 6.24 Parliamentary Procedure

Parliamentary procedure, except as provided for by statute or these Rules, shall be conducted in accordance with Robert's Rules of Order. Inadvertent failure to abide by parliamentary procedure shall not invalidate any action of the Board.

If a Boardmember desires to pursue specific legislation, he/she shall bring it to the attention of the Board for discussion. If necessary, the Board shall direct staff to research issues, provide analysis and return to the Board with a recommendation for further action. If the Board approves the action, staff will direct the District's legislative advocates to move forward with that action. Boardmembers shall attempt to bring proposals to pursue specific legislation to the Board in a timely manner such that the Board has sufficient time to review the proposal, request research and analysis, and make a decision.

Section 7.5 State and Federal Advocacy Programs

The Board shall adopt the District's annual State and Federal Advocacy Programs. In developing these programs, input shall be sought from and vetted with executive staff and the Board Officers, primarily the General Manager. Draft advocacy programs shall be distributed to transportation advocacy groups, planning and funding partners, and coordinating agencies. To ensure public participation, draft programs shall also be distributed to interested parties to solicit feedback and comments to help inform and broaden advocacy programs. The procedures provided below are preserved in this policy in the event the Board reinstates the use of Standing Committees.

Section 8.1 Committees

The Board of Directors shall serve as a committee of the whole and a majority of the members of the Board shall constitute a quorum for the transaction of business for a committee of the whole. Standing Committees have continuing subject matter jurisdiction and are subject to the provisions of the Brown Act (Ref: G.C. Section 54952(b))

Limited-Purpose Committees shall be composed of no more than three members of the Board of Directors and may include the Vice President and President. A Limited-Purpose Committee is a temporary advisory committee that serves a limited or single purpose, is not perpetual, and will be dissolved once its specific task is complete. This type of committee is not subject to the provisions of the Brown Act. Any request to the Board to authorize the creation of a Limited-Purpose Committee shall specify 1) the limited or single purpose of the committee and 2) the committee's sunset date. Limited-Purpose Committees shall report on their activities to the Board or the appropriate Standing Committee as appropriate.

- (a) **General.** All Committees subject to the Brown Act shall follow the provisions of Articles 4, 5 and 6 of these Rules, except where appropriate, the Committee Chair shall fulfill the responsibilities designated to the Board President. The Board President shall review all Committee agendas, but final approval of the agenda for each Committee shall rest with the Chair of each Committee.
- (b) **Regular Meetings.** Standing Committee meetings shall be held on the second and fourth Wednesday of each month. The Operations Committee and Planning Committee shall hold regular meetings on the second Wednesday. The External Affairs Committee and the Finance and Audit Committee shall hold regular meetings on the fourth Wednesday. However, any meeting of a Standing Committee shall be deemed a regular meeting when an agenda is posted at least 72 hours in advance of the meeting regardless of the time and location of the meeting as long as the meeting is within the District's boundaries.

- (d) **Agendas.** The agendas of the Committees shall conform to the provisions in Section 5.4 with the following modifications:

The Consent Calendar shall consist of routine briefing/action items. These include, but are not limited to all regularly scheduled reports to the Board of Directors, in addition to information determined either by the General Manager or the Board to be of interest to the Board but no action is expected.

Briefing Items are informational in nature and require no action or may be updates on specific items requested by the Board, and if necessary, may be forwarded by a Committee to the Board recommending action. If a Committee wishes to recommend that the Board of Directors take an alternate action not listed on the agenda, the item shall be brought back to the Board of Directors at a later date for consideration after it has been properly agendized.

Action Items require discussion and/or action. All action items shall be reviewed by the appropriate Committee first and then by the Board of Directors for action.

All briefing and action items shall be presented using the current staff report format for transmittal to a Committee, and ultimately to the Board.

Items may be referred to Standing Committees for review by the Board of Directors, by members of the Committee, or as proposed by staff and approved by the Committee Chair. The Board may, from time to time, specify that certain types of agenda items be routinely reviewed by a Standing Committee on a regular basis. Copies of all Committee agendas and corresponding materials shall be distributed to all members of the Board of Directors.

Agenda items recommended by a Standing Committee to be placed on the Board's Consent Calendar Addenda shall be acted on when the Board of Directors meeting reconvenes following the Standing Committee meeting(s).

**ARTICLE 9. APPOINTMENT OF NON-BOARDMEMBERS TO EXTERNAL COMMITTEES AND
RECOGNITION OF PERSONS APPOINTED**

Section 9.1	General
Section 9.2	Appointment Process
Section 9.3	Appointments of Staff
Section 9.4	Recognition of Persons Appointed

Section 9.1 General

This article shall govern the appointment of one or more non-Boardmembers to committees created by other public entities which include a public member representing AC Transit on the committee(s), when AC Transit is requested to designate the individual(s) to represent AC Transit. It also serves to establish a consistent method of recognizing persons appointed by the Board of Directors to boards and committees upon their retirement or resignation.

Section 9.2 Appointment Process

The appointment process shall be as follows:

- (a) Upon receipt by the District of a request for the appointment of a public member to represent AC Transit on another agency's committee, board, etc., a copy of the request (if in writing) shall be transmitted to the Board President and the members of the Board. If the request is made verbally, the person who receives the verbal request shall promptly notify the District Secretary of the request and the District Secretary shall contact the requesting agency and ask for written confirmation of the request. Once received, the written request shall be distributed as indicated above.
- (b) The District Secretary shall place the appointment request on the agenda for the first Board meeting following its receipt.
- (c) The Board of Directors shall determine the course of direction it wishes to pursue.
- (d) If the other agency requests the selection of an individual by a time which does not afford an opportunity to follow the aforementioned process outlined in this section, the Board President may make an interim appointment. The notification to the requesting agency and to the individual(s) selected by the Board President must indicate that the appointment is interim, pending the completion of the steps set forth in appointment process outlined in this section, and shall identify the time period for which the appointment is valid. The Board President shall notify the Board of Directors in writing of the interim appointment within a week of making the appointment.

- (e) Upon completion of the steps identified above, the District Secretary shall send a written notice to the requesting agency, advising the agency of the name(s) of the District's appointee(s).

Before assuming the appointment, the individual(s) shall be notified that their obligation is to represent the interests of the Alameda-Contra Costa Transit District, rather than their own position(s).
- (g) At the discretion of the Board, the individual(s) appointed shall, at least once each calendar year, submit a report (preferably in writing) to their appointing individual or body.

Section 9.3 Appointments of Staff

The appointment process outlined in Section 9.2 shall be used to appoint staff to the ATU Retiree Medical Trust or other quasi-internal or external committees when no formal appointment process exists.

Persons who resign or retire with more than five years of service will receive a "Resolution" adopted by the Board and signed by the President. Presentation of the resolution will be scheduled at a regular or special meeting of the Board of Directors. The Board of Directors may waive the provisions of these rules or any adopted policy except to the extent that the provision is based on statutory requirements imposed by another governmental entity. A waiver of the rules shall be posted on the applicable Board or Committee agenda and shall require four affirmative votes to waive the applicability of a rule for that particular meeting. Nothing in this section shall constitute a continual waiver which is tantamount to an amendment of the provisions of this or any policy without an amendment to the policy.

Section 10.2 Review and Amendments

The District Secretary shall review the Rules for Procedure at least once annually and make recommendations to the Board as appropriate. Any applicable new laws and other relevant changes shall be incorporated therein upon amendment by a majority vote of all members of the Board of Directors.
