**What if I need help from another person or from a service animal?**

If your doctor has certified that you are disabled and need an attendant, your attendant may ride with you at the same reduced fare that you pay. When you apply for your RTC Clipper Card, indicate that an attendant is needed. You will receive 2 RTC Clipper Cards, one for you, one for an attendant.

You do not need a specially marked RTC Clipper Card issued to be able to ride with a service animal, and your animal does not have to pay a fare. However, the animal must perform a service function and must be under your control at all times.

**May I ask the driver to help me?**

Yes. Drivers will be happy to help you. They can:

- Answer your travel questions
- Deploy the passenger ramp to help you get onto or off the bus
- Secure your wheelchair
- Call out stops to tell you where you are

I've never ridden on the bus before, can someone show me how?

- Free Travel training can be arranged for seniors and people with disabilities, individuals and for groups upon request. Contact AC Transit Accessible Services at (510) 891-7261 to be referred to a Certified Travel Training Agency in the Bay Area.
- Individual trip planning is available from AC Transit Customer Relations. Call (510) 891-4777 and choose option 2, or visit actransit.org

**Flash Card Kits**

Free Flash Card Kits are available to AC Transit riders. The kits contain three cards that help you relay your needs to the driver:

- The green LIFT/RAMP card indicates that you need to use the passenger lift or ramp.
- The orange KNEELER card indicates your desire to have the bus kneel toward the curb to reduce the step height into the bus.
- The pink WAIT card indicates that you need additional time to be seated before the bus moves.

Call (510) 891-7175 to request a kit.

**Braille Bus Identifier Kits**

Braille Bus Identifier Kits are available to riders who have a visual impairment or difficulty in communicating. Kits include numbers and letters to easily identify the bus line you would like to take. Call (510) 891-7175 to request a kit.

**Wheelchair Marking and Tether Strap Program**

AC Transit offers free wheelchair marking and/or installation of tether straps for your mobility device, by appointment only. This provides guidance to AC Transit drivers for attaching the securement systems to your mobility device. AC Transit staff will mark or tether your mobility device at AC Transit’s General Offices, 1600 Franklin Street, Oakland, CA. Additional locations are available. Please call (510) 891-7113 or email TetherStraps@actransit.org to schedule an appointment and for more information.

Welcome to AC Transit

AC Transit is committed to providing safe, reliable, and convenient bus service for everyone. This brochure highlights services AC Transit provides for seniors and persons with disabilities. It describes accessibility features that make it easier for you to ride AC Transit, and it explains how to use the service, how to plan a trip, fares and fare discounts, and how to get more information.

What is AC Transit?
AC Transit is a public transit service that transports people in Alameda and West Contra Costa counties and connects with other public transit systems in six Bay Area counties.

What does “Accessible” mean?
“Accessible” means that our buses have been specially built so that they are easier for seniors and persons with disabilities to ride. Passenger lifts, ramps, kneelers, and handrails make it easier to get on the bus for people who find it hard to climb stairs. Priority seating is available and clearly identified on every bus.

Accessibility also means that AC Transit has other programs and services, such as the Regional Transit Connection (RTC) Clipper Card program, and information available in many accessible formats to make it easier for you to use the bus.

When does AC Transit run?
AC Transit bus services vary in each area and change according to the hour of the day and the day of the week, depending upon local service needs. Some bus lines operate 24 hours a day, seven days a week. Others only run on weekdays or during commute hours, and others provide limited weekend, school, or shopping service. For more information about specific bus lines and/or schedules, call (510) 891-4777 or visit actransit.org.

How can I find out if AC Transit goes where I need to go?
You can find out where buses go, where bus stops are, how often buses run, and how much your trip will cost by using these travel aids:

- A free “System Overview Map” shows all the bus lines, where they go, and where a bus connects with other lines.
- Free pocket timetables give you more detailed information about each line.
- Call (510) 891-4777, option 2, to reach AC Transit’s Customer Service between 6:00 a.m. and 7:00 p.m. on weekdays, and from 9:00 a.m. and 5:00 p.m. on weekends.
- Visit actransit.org for route and schedule information, and for help in planning your trip to almost anywhere in the Bay Area.
- Download the AC Transit Official Mobile App for real-time arrival predictions, the location of approaching buses, a map of nearby bus stops, and direct access to customer service.
- When boarding a bus, the driver will be happy to give you information on where the bus is going, when to get off or where you need to transfer.

How much does it cost?
Seniors, certified persons with disabilities (and their certified personal care attendants when traveling with them), and individuals who have been issued a Medicare card, are eligible for reduced fares on AC Transit buses. You don’t have to pay an extra charge if you bring mobility aids and/or service animals. Your fare will depend upon where you are going and how many buses you are taking.

Reduced fare for Seniors (65+), Persons with Disabilities, and Medicare Cardholders
