

Alameda-Contra Costa Transit District

TO: All AC Transit Elected Officials, Board Officers, Employees, Temporary Employees, Volunteers, Paid and Unpaid Interns, Consultants, Vendors, Contractors, Job Applicants, and anyone else conducting business with The District

FROM: Michael Hursh, AC Transit General Manager 

SUBJECT: 2024 AC Transit Equal Employment Opportunity (EEO) Policy Statement

DATE: January 4, 2024

Alameda-Contra Costa Transit District (The District) is committed to fostering an inclusive workplace. Every employee has the right to work in a professional atmosphere that promotes equal employment opportunities and prohibits unlawful discriminatory practices.

Part of maintaining a work environment free from employment discrimination and harassment rests on the fundamental principles that we must treat each other with respect, dignity, and professionalism, as well as equitably, under the guidelines of our Equal Employment Opportunities (EEO) Program.

The District will not tolerate unlawful exclusion from employment opportunities or harassment based on race, color, religion, religious creed (including religious dress and grooming practices), national origin (including language use restrictions), ancestry, citizenship, physical or mental disability (including HIV and AIDS), medical condition (including genetic characteristics, cancer or a record or history of cancer), genetic information, marital status, sex (including pregnancy, childbirth, breastfeeding and medical conditions related to pregnancy, childbirth or breastfeeding), gender, gender identity, gender expression, age (40 years and over), sexual orientation, veteran and/or military status, denial of leave under the Federal Family and Medical Leave Act (FMLA), California Family Rights Act, and California Pregnancy Disability Leave Law, domestic violence victim status, and any other status protected by federal, state or local laws.

The District will also not tolerate retaliation against any employee or applicant who brings a good faith complaint regarding a violation of our EEO Policies, Regulations, or laws or participates in an investigation of a complaint. Applicants and employees who believe they have been discriminated against, harassed, or retaliated against may file a complaint with the EEO Officer.

The District is committed to providing reasonable accommodations to applicants and employees who need them because of a disability-related to pregnancy, childbirth, medical condition, or to practice or observe their religion, absent undue hardship to business needs.

The District has developed and periodically updates a written program that sets forth the District's EEO policies, administrative regulations, and procedures, with goals and timetables to which it is committed. The EEO Program, supported by Board Policies 201, 207, 260, and Administrative Regulation 260A, is available for inspection by any employee or applicant for employment upon request. It is also available on the District's website.

The District's EEO Policies and Administrative Regulation apply to all employment actions, including but not limited to management practices and decisions, recruitment, hiring, selection for training, promotions, transfers, demotions, layoffs, terminations, benefits, and rates of pay or other forms of compensation. The EEO Program applies to all District locations and to all District-sponsored activities, such as training, business trips, team social events, community events, conference calls, social media platforms, or other events, whether held at a District facility or elsewhere.

As the District's General Manager, I maintain overall responsibility and accountability for compliance with our EEO Program. However, all District executives, managers, and supervisors share in the responsibility and accountability for compliance with the EEO Program within their respective areas. Successful implementation of the District's EEO Program is one of the measures of our managers' and supervisors' performance, in the same way the District assesses their performance regarding other agency goals.

To ensure the day-to-day management of the EEO Program, including training, monitoring, and complaint investigations, I have appointed Cera Clark as the EEO Officer. Please feel free to contact her at 510-891-4848 or via email at cclark@actransit.org. Cera reports to the Director of Civil Rights and Compliance and acts with my authority with all levels of management, labor unions, and employees.
