### Systems unavailable for reactivated supplementary service

For the 600-series bus lines being reactivated Monday, April 19, several advanced features of AC Transit's online systems will not be available at first. ACT RealTime arrival information (including rider capacity information) and online trip planners will not have information on the new lines. Signs and announcements on buses may not provide information, and arrival information will not be available from AC Transit's Customer Call Center. These features are expected to be available the week of April 26.
