San Francisco Bay Area Rapid Transit (BART) rail service connects the San Francisco Peninsula with Oakland, Berkeley, Berrysa, Walnut Creek, Dublin/Pleasanton, and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

Fare Information

Current fares can be found near ticket vending machines, online at www.bart.gov and using the official BART app.

CLIPPER CARD

Clipper is a "smart card" with stored value that can be used on various Bay Area transit operators. Clipper cards can be purchased at fare machines in all BART stations—there is a one-time \$3.00 fee for the card. A minimum value is required to enter the system, so it is best to load fare on your card before entering.

Keep your Clipper card to use on most transit in the Bay Area and for future trips. Each passenger must have their own card.

Visit www.clippercard.com to learn how to apply for cards with discounts for Seniors (age 65 and up), Youths (age 5-18), persons with disabilities, or to add a BART High Value Discount (stored as a separate "purse" on the card).

BART PAPER TICKETS

BART is phasing out tickets in 2020. There is an extra \$5.50 per trip surcharge to use a BART ticket instead of a Clipper card. Once phased out, customers will not be able to purchase tickets at our stations or online. Tickets will still be accepted at fare gates, but you will only be able to add value to your ticket if it's needed to exit the system.

BART EXCURSION FARE

BART's Excursion Fare allows you to tour the BART system for up to three hours on a \$6.20 fare, if you enter and exit at the same station. To avoid being charged the excursion fare if you enter the system and need to leave before riding a train, see a Station Agent.

SamTrans provides bus service throughout San Mateo County and to Peninsula BART stations, Caltrain stations, and downtown San Francisco. For more information visit www.samtrans.com, or call 1-800-660-4287 or 650-508-6448 (TTY).

¹ A single ride fare on Muni is good for 90 minutes of travel, whether it be on a single route or a trip with multiple transfers across buses and light rail.

² You can load cash value onto your Clipper® card to pay for single rides. When you tag your Clipper® card to the reader as you board a 90-minute transfer will be stored to your card. You must tag your card each time you board a vehicle.

³ Change is not provided on bus or light rail vehicles. Customers paying cash at Muni Metro light rail stations must purchase a Limited Use Ticket from a Ticket Vending Machine (TVM) located outside of the faregates. Tickets sold at TVMs expire 90 days after purchase.

When riding the bus, the driver will hand you a fare receipt (often referred to as a "transfer"). Keep this with you at all times, regardless of whether you plan to transfer to another route or not. If the driver does not hand you a receipt, remember to ask for one. Riding Muni without proof of payment can result in receiving a citation and heavy fine, so keep your receipt! This receipt must also be shown to a station agent when transferring to light rail in a Muni Metro station for faregate access. A Limited Use Ticket purchased from a TVM electronically records the transfer time.
