

AC Transit Basic Route Map

Pocket Timetables

The routes depicted on this map are AC Transit's basic network of East Bay (and Transbay) bus lines. During weekday commute periods, buses on many of these lines divert from the shown routes to go into virtually every neighborhood. Details of this expanded commute-hour service (and of other special services) are available on individual **Pocket Timetables**—small folders with each bus line name and number on the cover. In these folders, you will find diagrams of the route and timetables for each line. **A Pocket Timetable** is available from your bus driver. Timetables also may be obtained from AC Transit Customer Services (508 16th Street, Oakland, CA 94612) or **call Transit Information**—the clerk will answer your questions and, on request, mail the timetables you need.

Bus Stop Signs

Each one of AC Transit's 7,200 bus stops is marked by a sign which displays the line number of all buses making that stop, and a brief description of each route's intermediate and final destinations. This same information is repeated in the destination sign on the front of the appropriate bus. **Refer** to the pocket timetables for each route to determine the approximate time the bus arrives at your bus stop.

Express and Transbay bus service.

You may purchase convenience tickets at AC Transit Customer Services, 508 16th Street, Oakland, or at the Transbay Transit Terminal, First and Mission Streets, San Francisco.

In an emergency, if you do not have exact change the bus driver will accept up to \$5. A refund coupon will be issued for your change. **Please wait five days**, then submit the coupon for redemption. You may come in person (or mail the coupon, with a stamped, self-addressed envelope) to AC Transit, 508 16th Street, Oakland, CA 94612. Office hours are 8:30 a.m. to 5:00 p.m., Monday through Friday (except holidays).

Bus Fares

	Adult	Youth	Seniors Handicapped**
Local	35¢	25¢	10¢
Intercity Express	35¢–60¢	25¢	10¢
Transbay	75¢–\$1.25*	30¢–40¢*	30¢–40¢*

*Lowest fare from central zone. Additional zone charge for longer trip.
**Reduced fare in off-peak hours only, with rider displaying Bay Region Transit Discount ID Card available from AC Transit.

Sunday/Holiday Pass

For a series of visits or a day of sightseeing, you may buy a 75¢ pass that allows unlimited bus riding on Sundays and holidays to anywhere in the East Bay. Get your pass from the driver when you first board the bus, and it's good for rides all that day. A lot of travel for a bargain price. And it's only 30¢ for senior citizens and handicapped persons with a Transit Discount ID Card.

Shop-Around Pass

Buy a pass from your bus driver, for a single 35¢ bus fare anywhere in Downtown Oakland, the San Leandro central business district, or the Shattuck Avenue business district of Berkeley. Use it to ride back and forth, in any direction within the downtown area, between 9 a.m. and 3 p.m. And it's good for your trip home too, before the 3 p.m. deadline.

Transfers

When you board a bus and you're not using a Monthly Pass, ask for a transfer. Then "stop-off and go-again" as many times as you like, within a reasonable time limit—as long as you don't reverse your direction. You may ride the same line again, or adjacent lines. Simply present your transfer to the driver for validation. It's a great idea for store-hopping, and there's no extra charge.

Going to BART? Pay your regular bus fare. On your return trip, get a free transfer from the transfer machine inside the BART station. Present this transfer to bus driver for a local ride to continue your trip.

Lost Articles

A friendly reminder . . . before leaving the bus, please be sure you have all your belongings.

Articles inadvertently left on buses, when found by the driver, are turned over (usually the following day) to the Customer Services Center, Lobby, 508 16th Street, Oakland, where they may be recovered upon proper identification by the owner. Call 654-7878, Ext. 250, between 9:30 a.m. and 5 p.m., Monday through Friday.

AC Transit Operating Statistics

In District 1 (Service Area shown on map)*

Area:	175 square miles
Fleet:	625 Buses
Number of Routes:	
Commute-hour	134 Total
Basic Service Routes	85 Total
Annual Mileage:	
Transbay	8.8 million
East Bay	16.3 million
Total	25.1 million
Passenger Trips:	
Average weekday	240,000
Average month	5,500,000
Annual	60,000,000
Longest Ride without Transfer	28 miles
Longest Ride with one Transfer	40 miles

*In addition, AC Transit operates another 80 to 90 buses in suburban service areas not shown on this map (including the cities of Fremont and Newark; communities in Central, Eastern and Western Contra Costa County; and the Livermore-San Ramon Valleys). This additional service, covering approximately 400 square miles of the two counties, provides transportation to another half million riders each month.

Yield

For the comfort and convenience of elderly and handicapped persons, several seats near the driver have been identified for their use. Your co-operation would be appreciated in yielding the designated seats when these riders board the bus.

Laws & Regulations

Please be mindful of the needs and comfort of all AC Transit riders . . . and remember . . . while on the bus, **Laws and regulations Prohibit Smoking, Eating/Drinking and the playing of Radios.**

AC Transit Basic Route Map

Expanded commute-hour service is operated during weekday peak periods. For details of this commute-hour network (and other special services), refer to pocket timetables for each route—available from bus driver or by mail from AC Transit (508 16th Street, Oakland) or call **Transit Information**:
